## CLOSING OUT PRICES

AUGUST 16, 1926

**PRICES** quoted herein are to close out stock on account of discontinuing business. They are absolutely net for cash whether the purchaser buys for pleasure or profit. In other words, there is no discount to the Trade.

**PAYMENT TERMS.** *Cash with order.* Remittance may be made by postoffice order, express order or bank draft, payable to "Movilla Gardens."

**ORDERS** will be accepted subject to stock being unsold when they are received. They will be numbered consecutively and will be filled accordingly. Iris will be shipped at once—Peonies after September 1st. If stock is exhausted when order is received, we will notify purchaser who may substitute another variety or have his remittance returned. Of the rarest and choicest varieties stock is very limited and in some cases we can supply only two or three of a kind. Consequently the earliest orders will be the only ones we can fill.

**C. O. D. ORDERS** will not be accepted and stock will not be reserved unless paid for.

**SHIPMENTS** will be forwarded by express collect unless purchaser directs otherwise. If shipment is to be made by parcel post, purchaser should add 2c. each for 25 Iris or less. If more than 25 and not over 100 Iris add 1c. each. For Peonies, add 5c. for each division.

Parcel Post Packages will be insured at our expense.

Iris will have leaves cut to about 3 inches above the rhizome, and will be packed in dry moss or excelsior. They should reach the purchaser thoroughly dry, and may be planted any time within three weeks after they have been dug, but if moist and soft, they should be returned to us at once and we will replace them without charge. Many varieties will live for a month, or longer, in a dry condition out of the ground.

Peonies will be thoroughly washed and packed in damp moss. They should arrive in a moist condition, but if dry they should be submerged in water a few minutes. If kept damp they may remain out of the ground a week or two without sustaining damage.

**COMPLAINTS.** If made immediately on receipt of goods, will be investigated at once and, if due to our negligence or carelessness, will be promptly rectified.
